

PRODUCT DATA SHEET

Royal Enviroguard Tractor Hydraulic Fluid

Biodegradable Hydraulic Tractor Fluid

PRODUCT DESCRIPTION:

Enviroguard Tractor Hydraulic Fluid is specially formulated with high quality biodegradable base oils to meet the need for an environmentally friendly product. This product is designed as a “multi-use fluid” for use in farm tractor hydraulic systems, transmissions, differentials and wet brake systems.

Enviroguard Tractor Hydraulic Fluid remains fluid at -40F. Because of its wide temperature range performance, it maintains required viscosity at higher temperatures. With its exceptional anti-wear protection, it can be used in heavy loaded farm tractor differentials.

KEY FEATURES:

- High biodegradability
- Wide temperature range performance

CUSTOMER BENEFITS:

- Maximum wear protection
- Recommended for use in all types of farm and industrial tractors

APPLICATIONS:

- Recommended and designed for applications in sensitive areas

PACKAGING:

Drums and Totes

PRODUCT DATA SHEET

Royal Enviroguard Tractor Hydraulic Fluid

Biodegradable Hydraulic Tractor Fluid

Typical Properties

Enviroguard Tractor Hydraulic Fluid		
Product Number	843	Test Method
API	26.21	-
Specific Gravity@60°F	0.8967	ASTM 4052
Lbs/Gal	7.471	
Density	0.8967	
Flash Point@°F	450	ASTM D92
Pour Point@°F	-33	ASTM D97
ASTM Color	Light Orange	ASTM D1500
Viscosity@40°C, cSt	13.44	ASTM D445
Viscosity@100°C, cSt	43.03	ASTM D445
Viscosity Index (VI)	282	ASTM D2270

Typical Properties are typical of those obtained with normal production tolerance and do not constitute essentially a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations. The information contained herein is subject to change without notice.

Health and Safety:

When used for its intended application, this product is not expected to have any adverse health implications. For complete information on safe handling, as well as physical and chemical characteristics please refer to the Material Safety Data Sheet (MSDS) found on our website, www.royalmfg.com, or call 918-584-2671. Do not use this product for purposes other than its intended use. Please be responsible to the environment when disposing of used product.
