

Royal Litholube Grease
Lithium Multipurpose Grease

PRODUCT DESCRIPTION:

Royal Litholube Multipurpose Lithium Grease is premium lithium grease designed for both automotive and industrial applications. This grease is formulated from fully refined quality lube stocks, high quality lithium soap and additional additives to further enhance its lubrication effectiveness and bearing protection.

Royal Litholube Multipurpose Lithium Grease has excellent temperature stability and will not melt at automotive service temperatures and is readily handled through normal dispensing equipment.

KEY FEATURES:

- Effective bearing protection
- Excellent temperature stability

CUSTOMER BENEFITS:

- Multipurpose
- Lithium soap for enhanced lubrication

APPLICATIONS:

Royal Litholube Multipurpose Lithium Grease is recommended for grease lubrication of water pumps, universal joints and regularly lubricated chassis points on cars, trucks, buses, tractors and mobile construction equipment, as well as various light duty industrial applications.

PACKAGING:

Drums, Pails, and Cartridges

Typical Properties

Royal Litholube Grease			
Product Number	903AA	903AF	Test Method
Color	Amber	Amber	Visual
Texture	Smooth , Short Fiber	Smooth , Short Fiber	Visual
NLGI Grade	2	3	ASTM D 217
Worked Penetration	285	235	ASTM D-217
Drop Point , ° F	350	350	ASTM D 2265
Viscosity @ 40 C ,cSt	141	141	ASTM D 445
Viscosity @ 100 C ,cSt	11.3	11.3	
Viscosity @ 100 F ,SUS	750	750	
Viscosity @ 210 F ,SUS	65	65	
Type of thickener	Lithium	Lithium	-
Oil Separation ; %	4	4	ASTM D 6184

Typical Properties are typical of those obtained with normal production tolerance and do not constitute essentially a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations. The information contained herein is subject to change without notice.

Health and Safety:

When used for its intended application, this product is not expected to have any adverse health implications. For complete information on safe handling, as well as physical and chemical characteristics please refer to the Material Safety Data Sheet (MSDS) found on our website, www.royalmfg.com, or call 918-584-2671. Do not use this product for purposes other than its intended use. Please be responsible to the environment when disposing of used product.
