

Litholube Grease
Lithium Multipurpose Grease

PRODUCT DESCRIPTION:

Litholube Multipurpose Lithium Grease is premium lithium grease designed for both automotive and industrial applications. This grease is formulated from fully refined quality lube stocks, high quality lithium soap and additional additives to further enhance its lubrication effectiveness and bearing protection.

Litholube Multipurpose Lithium Grease has excellent temperature stability and will not melt at automotive service temperatures and is readily handled through normal dispensing equipment.

KEY FEATURES:

- Effective bearing protection
- Excellent temperature stability

CUSTOMER BENEFITS:

- Multipurpose
- Lithium soap for enhanced lubrication

APPLICATIONS:

- Automotive and Industrial Applications

PACKAGING:

Drums, Pails and Cartridges

Litholube Grease
Lithium Multipurpose Grease

Typical Properties

Litholube Grease		
Product Number	903 AA	Test Method
NLGI Grade	2	ASTM D217
Viscosity@40°C, cSt	141	ASTM D445
Viscosity@100°C, cSt	11.3	ASTM D445
Viscosity@100°F, SUS	750	ASTM D445
Viscosity@210°F, SUS	65	ASTM D445
Drop Point, °F	350	ASTM D2265
Worked Penetration@25°C	285	ASTM D217
Oil Separation, %wt	4	-
Texture	Smooth, Short Fiber	Visual
Thickener Type	Lithium	-
Color	Amber	Visual

Typical Properties are typical of those obtained with normal production tolerance and do not constitute essentially a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations. The information contained herein is subject to change without notice.

Health and Safety:

When used for its intended application, this product is not expected to have any adverse health implications. For complete information on safe handling, as well as physical and chemical characteristics please refer to the Material Safety Data Sheet (MSDS) found on our website, www.royalmfg.com, or call 918-584-2671. Do not use this product for purposes other than its intended use. Please be responsible to the environment when disposing of used product.
